Hello all,  
Tournament

Please dont forget the LTSI Invitationals takes place on the 27th of September visit [www.ltsi-tournaments.co.uk](http://www.ltsi-tournaments.co.uk) for application forms and posters, this year is being held at the larger venue and we expect 200 to 300 despite the current climate.

#### My Susspension

Ever day I get many e-mails saying the ITF has gone mad (Over 500 so far) and asking what has happened, so that you all know I have been suspended NOT expelled like what is claimed on the main ITF site. I have given 24 years to this art and never thought that due to a magazine I would get hammered as i have recently but it will still run,

A solicitor wanted me to sue the ITF, but is is not the ITF at fault nor do i blame G.M.Choi just one person who dont like what i am doing so I sit and wait patiently for the susspension to be removed in January 1st 2010 just so you all know :-)

#### The Forums

Hope this dont seem desperate, we dont have much imput on the site I would like to see others contribute, get envolved today

#### Content for Magazine

G.M.Choi has stated that he has no problem with the magazine only that i put the three leaders on the front page last issue which he had to make an example of me, in future we will only refere to all ITF's as one and will not use ITF-A B C etc

Seems to me that we are getting NO content from others at this time, we have loads to pack out the magazines but would ask that if any of you want to send articles, announcements please do so now, I have had calls from top Masters saying they want to help but can only after the susspension.... not good, the mag had 12000 first issue 45000+ for the last one so get your groups put in, and dont forget you can register your country ino or group on our site which is No2 or 3 on googles front page.

anyway take care one final note! - as in life we all trip up every now and then! if you stay down you wont succeed, get up and walk on with your head hung high and you will get to where you want to go.

Tae Kwon
