

"TUL TOUR® -1" – Action plan

Dear Taekwon-Do Friends,

It is my great pleasure to inform you that based on the expression of interest we have a sufficient number of participants who (if committed) will allow our "TUL TOUR® -1" program to succeed. The participants have derived from various parts of the World which will make our tour even a greater intercultural experience in the cradle of Taekwondo.

Therefore, please find attached:

1. "TUL TOUR® -1" provisional program, which will give you a more detailed information with dates, times and what will happen when you come to Korea,
2. "TUL TOUR® -1" registration form, which you must complete and sent to us. This will be a base to receive an official invitation to Korea to be a part of our program,
3. "Action plan" which in a simple "step way" will guide you how to successfully register for the "TUL TOUR® -1".

A special "TUL TOUR®" web site will be launched approximately in the middle of May where you will see all updates, reports about locations, training etc. Moreover, we have been conducting talks with television stations and government authorities who are interested in our program and may provide assistance and promotions.

Please send the completed form **not later than before the 6th May 2011** (the earlier the better).
