TRANSPORTATION

GETTING THERE

Getting to our Resort in Ponce is easy from the major Puerto Rican airports: San Juan Luis Muñoz Marín International (SJU), Ponce's Mercedita Airport (PSE) — where direct flights arrive from Orlando and New York's JFK, or Aguadilla's Rafael Hernández Airport (BQN), 45 minutes from Ponce.

The Hotel is located only 1 mile away from exit 104B off PR-52 Interstate Highway Luis A. Ferré. The ride from the main Puerto Rico gateway, San Juan, is a smooth, scenic 75-minute trip following a well-marked, 2 and 3-lane wide highway that crosses the Central Mountains of the Island with some rest areas along the way and occasional toll plazas.

You can choose to rent a car with pick-up at the airport, hire an official taxi driver with the assistance of the Puerto Rico Tourism Company Hospitality Crew, or ask the Hotel to arrange for a personalized pre-arranged pick-up. Traffic Laws in Puerto Rico are well enforced, and signs and signals have very little variation from U.S. Standards.

Remember that U.S. citizens do not need a passport for travel to Puerto Rico.
